

良かったところ	改善点(運営全体・自信の両方)	その他感想
<p>1. 少人数で深くディスカッションすることができた。特に校友会のビジョン、イベント補助金の申請標準、SMUプロジェクト明らかにした。 2. ファシリテーター(※)の上手なtime controlのおかげで、すべてのアジェンダのディスカッションは効率的に時間通りに終わらせた。 3. リーダーズは仲良くなって、会議後でFBでも、appでもチャプター間のコミュニケーションを続けていて、意見交換、イベント計画ができるようになった。 4. RLMを通じて、私が校友会の活動に対するモチベーションをさらに高め、より多くチャプターイベントを作りたくなってきた。</p>	<p>1. 主催チャプターとして、他のチャプターとの情報共有、スケジュールアレンジはまだ不足だと思う。例えば、リーダーズの決議、提案が要ることを事前に伝えられなかったこと、まだ、リーダーズのフライトの情報を事前に入手せず、行方が把握できてなかったことである。 2. 会議時間の制限で、MAX効果が果たせなかったこと。今回の会議時間は去年の総会を参照し、1日半で主催チャプターが設定した。唯、今回の参加チャプターの近距離で、帰りフライトはすべて夜便ということに主催チャプターが気が配らず、MAX効果が果たせなかった。今度のRLMは1日半ではなくフライトの情報を参考し、2日間に伸ばしたいかなと考えている。</p>	<p>1. 初主催者になったシンガポールチャプターに対する事務局からのサポート、ボードからスケジュール、事前ガイダンスの指導に感謝したい。 2. 今後のチャプター活動により高いビジョンを持ち、チャプター規模の拡大、新しいイベントの計画を促進し、APUのSGUプロジェクトに貢献したい。 3. RLMで共有してくれた校友会ビジョン、SGUなど9月のシンガポール総会にメンバーと説明する。 4. 来年のRLMに期待している。</p>
<p>Leaders同士にcommunicationが上手に取りました。良い点、困ったことをface to faceで聞く。</p>	<p>特に有りませんが、もっとAPUの情報が有れば嬉しいです。また、APUからalumniがAPUに何の貢献またはdirectionを教えて頂ければ幸いです。</p>	<p>皆と会えるは嬉しいです。またよろしくお願いします。</p>
<p>The seating format arranged at RLM in Singapore is good for making thorough discussion. Topics are fruitful for both current and future direction for RLM. All prior preparations for RLM is perfect. I would like to use this format for next RLM Meetings.</p>	<p>Selection of host country for next RLM should be informed ahead and collection of proposal should be made before RLM. Up-dated information sharing between Incumbent Chapter Leader and New Chapter Leader should be made for streamline performance. Meeting Outcome should be made by notes for record at the end of the meeting.</p>	<p>Information exchange monthly meeting within RLM should be made by skype.</p>
<p>小グループで、より良い議論ができました。場所は、市中心で、駅から近く、便利です。異なる地域のチャプターと意見交換ができ、彼らが直面している問題点や対策を聞き、大変参考になりました。また、APUや、Boardを通じて、日本のチャプターの活動や、予算の考え方や、APU、Boardに求められていることも知ることができました。APUの在学生のことをある程度把握することができました。</p>	<p>Dinnerのレストランまでの移動手段：約徒歩15-20分でしたが、タクシーで移動した方が効率的ではないかと思えます。距離で考えると、約SGD1/人で、より早く、楽に移動できます。Dinner: せっかくなので、みんなゆっくり食事しながら話しができたらと思いますが、食べ放題よりもコース料理の方が、ゆっくり、落ち着いて、話しながら、食事できると思えます。議論中：最初会議が始まったときに、結構議題から離れたり、アジェンダ通りではなかったため、議論の内容はよく理解できませんでした。しかしペースが慣れてきたら、アジェンダ通りになり、司会者も本題から離れそうになりましたら、戻せるようになりました。</p>	<p>1. ホテルの構造(工事の関係)非常に複雑で、特にエレベーターで、会議室まで行くのも非常に時間かかりました。 2. 博物館や、戦争資料館などシンガポールの文化、社会を深めるため、簡単なツアー(見学)などができれば、より有意義な体験ができると思います。自由参加でも結構です。</p>
<p>By having this kind of small group Regional Leader meeting, I felt very much involved as everyone of us was given chance to speak out and raise our questions. As members are limited into about 10 this time, I was able to listen and learn from other chapters leaders' through information sharing. A lot of new ideas were gained, such as Job Fair which was done by Singapore Chapter in APU which it will be quite interesting for us to carry out the same in APU as well. It was good that representative from APU admission was there as updates were given and we knew that the database of graduates is in the middle of improvement. Overall agenda was not boring especially the part which we talked about budget and the next hosting country discussion. Again, feeling great that we were given the choice to choose.</p>	<p>I think that the homework sheet which was given in advance has some repeated questions. For example, question 1 and 2. Annual schedule and future events. I think answer for both questions are quite the same. It will be good if different questions will be asked. It will make the presentation from each chapter more lively and interesting. Information was late given: Lunch on the 1st day was only announced around midnight on the day before. It will be really nice if such info was announced much in advance for our planning and preparations. Agenda flow: Some discussion was kept too short as there was still some more opinions but we had no time to listen. Perhaps need to restructure next year.</p>	<p>Nothing much in particular</p>
<p>This meeting is compact and the topic was discussed in details. Moreover, leaders can be known each other. The meeting arrangement is well organized and finished timely.</p>	<p>Times allocation shall be flexible according to meeting proceeds. More discussion should be open for Chapter Leader Meeting Place for next time.</p>	<p>Personally preferable to include observation tour to some distinguished places.</p>
<p>Regional Leader Meeting is I think a better way to communicate with the chapter leaders of each country. In this way, each of chapter leaders had the chance to speak up concerns regarding their alumni. During the meeting held last August 1-2, it is like an open forum where issues and some positive things that is going on with each chapter were shared through those kind of sharing I was able to get some ideas and some inputs on how to manage and make our alumni chapter be more fruitful. The meeting was indeed more effective because everyone was given a chance to speak up.</p>	<p>I would like to commend the Singapore chapter for organizing the event. I would want to suggest the following for next regional meetings: a) It would be great that at the end of the meeting there would be a gathering of all Alumni present in that specific country where the meeting is held. In this way there is also a chance for the attendees to meet Alumni members of that country (if budget permits). b) Maybe a team building with the Alumni leaders will be possible, this will give the chance for every leader to improve their skills in being leaders and as a team member.</p>	<p>3. Thank you for giving me the chance to meet up with chapter leaders of other Alumni chapters. It was an enlightening experience because I was able to gather some ideas on how to improve our Alumni chapter. It was also a great chance to ask questions that are related to the Alumni.</p>
<p>参加チャプター間のコミュニケーションがしっかりととれてよかった。各チャプターの良い活動事例に耳を傾ける時間の取れていたと思う。</p>	<p>運営全体: 韓国の時はアイスブレイクやレクリエーションが間に役立てられており、仲良くなる工夫がされていたと思う。時間に余裕があればそういうのも盛り込めばと思う。 自身: 自分のチャプターへの考えなどを事前にもっと十分に準備しておくべきだった。</p>	<p>他チャプターの活動や企画案の承認手順など、校友会をどう盛り上げていくかのアイデアを得ることにできた良い時間になりました。</p>
<p>Participants were not that much thus we can exchange ideas more effectively with easiness to express our ideas and can be responded accordingly. With few participants, we can also know each other better. Country for the meeting was located in a strategic where all participants have direct flight to Singapore. Presence from the Alumni Association Headquarter (HQ) and APU staff so we can have direct interaction with the HQ and APU. Reminding us of Alumni Association vision and mission.</p>	<p>We need more clear direction and aim from the Alumni Association HQ on what kind of objectives we need to achieve as Chapters. Effective communication, database, and information sharing tool such as using mobile application is needed. A video message idea suggested to convey and share message between one region to another or one chapter to another (especially from successful chapters). Have an excursion/tour to have more local knowledge of the place of the RLM and also to get to know better one another (with our own expenses is ok). Regular online meeting through Skype to keep on updated with Chapter activities. I think it is better to make groupings of APU alumni based on interests to foster more collaboration between alumnis, or maybe Alumni Association can gather inquiry or opportunities from alumni to be shared to everyone (such as job postings, business opportunities, internships, charities, etc) which this can be done through the mobile application.</p>	<p>It has been a great pleasure to participate in the RLM, in which I get to know great individuals and also met with old friends seeing how they had developed over the time. Seeing the possibilities of this individuals have in the future makes the role of Alumni Association to become more significant, as these individuals are the ones who will shape the Alumni Association and people will look upon them. I believe that someday APU alumnis will become CEO of a large corporation, head of governments institution, chairman of impactful NGOs, Ministers of even Presidents! Thus I hope that together we can make Alumni Association to be a stronger organization that can provide a better service to its members and together able to shape the world!</p>
<p>a). Face-to-face meeting was very helpful for me to get direct and fast information from other chapters. (b). The meeting room and its ambience was very comfort for me to stimulate new and good idea for RLM's goal. (c). The arrangement of the topic's discussion from APU Alumni committee was clearly led me to set the goal of RLM. (d). I can absorb a lot of brilliant plan and strategy from other chapter leader.</p>	<p>(a). RLM should spare more time to discuss about budget issue. (b). If there is more time, it is better for each chapter leader to present their report by their own power point / keynote presentation. (c). One of the main problem in last RLM is the tools of communication, so better we put more time to discuss it accordingly.</p>	<p>I personally very happy to have chance to join Regional Leader Meeting (RLM) with other chapter leaders in Singapore. All arrangement is perfect and very effective in order to reach the goal of the meeting itself. All chapter also work very good especially Singapore Chapter as host country. In the meeting I got a lot of new information and idea. At that moment, I can say that to see problem and solution from other chapter's perspective is very-very important for me in order to evaluate and improve my chapter, Indonesia Chapter. For example, I got an idea on how to arrange budget for chapter's meeting or gathering from each chapter leader in this case I got a lot of information from Singapore Chapter. I also can share some problem and solution with Philippine Chapter about the problem to re-group among the alumni within island (since Indonesia and Philippine have a very similar geographic condition).</p>
