

2/27 RLM at APU  
Latin America Chapter Report

**2015 Latin America Chapter activities,**

1. Mar 21, 2015 General Assembly @ APU
2. Apr 12, 2015 Latin Hanami @ Beppu park
3. Nov 8, 2015 Latin Festa @ Hotel New Tsuruta (Sponsored by Beppu city)
4. Nov 11, 2015 Panel discussion with Alumni and internship recruiting @ APU
5. February, 2016 Internship program in Mexico for APU students

Issues: Too much bureaucracy when planning and submitting activities and low participation rate.

**Possible Solutions:**

Collaboration events with ALC, Fukuoka and other chapters to overcome such issues.

Discuss further with Chapter executive members during the General Assembly.

**Other Suggestions:**

1. Board to consider having a separate criteria for new chapters that encourages members to be active (i.e. 5 extra evaluation points for chapters less than 3 years old, etc.)
2. Consider to make meetings shorter and more interactive. Also to add joint events
3. Make events less formal than current.
4. Use English and Japanese in Chapter activities just like in APU.  
(Talking in Japanese while having materials in English)
5. Create more participation opportunity to LoopAS members.
