(optional)</p>	1		住んでる人が可視化されてほしい
	1		他のチャプターと連携しやすい仕組み
	1		質問:新しいサービスへの登録を促す方法は?
	1		アイデア:ミートアップを使っている
	2	Fukuoka	イベント告知機能(チャプターメンバーに届いていない可能性がある、現状FacebookとInstagramだが不十分)
	2	Fukuoka	ビジネスマッチングから新しい収益を校友会が得るフェーズにきていると思う、例えばマッチングしたら何%か校友会に利益が入るようにするなど
	2	Kids school	マッチング機能(子育て中の校友の情報を知りたい、ホーチミンの校友でビジネスを譲りたいと言っている人がいる)(ビジネスをつなげることができれば良いと思う)
	3		A platform to find to connect people (online platform) and be able to join any event and sminar from other chapters. So smaller chapters can join these events as well or create and make other chapters join them. Or implement joint activities with other chapters.
	3		To be able to find people easily.
	3		Career coaching / job posting
	3		To include a membership fees for the platform and add some premium contents for the members who pay the membership fee. Free version and a premium paid version (such as Career coaching)
	4	Kansai	I like 6 and 12
	4	APUREN	I like 7 and 11(Maybe 7 is a part of 11, 国際交流の一部として地域交流)Ambassodor is a very broad idea, i think it can be "coming back to school" but also represent a country/region
	4	Thailand	I choose 6 and 8, we can do a lot of things about "travel"
	4	Latin America	I like 7 and 11, everyone wants to meet old friends from APU and do fun things
	5		All 12 ideas are great
	5		Challenge is always communication. Communication among chapter members, communication with newer members (new graduates), and communication with board & APU where so many different channels are used and to go back to information when it becomes relevant is difficult.
	5		Email is not working well now, as we do not see emails much.
	5		Whatsapp, Slack (but if company is using, it is difficult to switch the account), LINE, EDM, FB messengers... just too many
	5		Getting new graduates information is always difficult
	5		If too many messages are there, it is difficult to know the important topics, so if summary of the topic is shared once a week or once a month, it will be good. (whatsapp messagets, etc... can be too many instant messages, easy to get lost...)
	5		Good to know the pre-event information rather than after the event report so if others want to join, they can also join across the chapters
	5		Would like to have a specific topic of 転職 rather than job hunting for new graduates for alumni. There are companies who want to hire APU alumni as well, so good to share that kind of opportunitites
6		(Googleマップのような)いきたい国をピンしたら校友会と繋がれるコンテンツが欲しい	
6		各チャプター毎にコンテンツがあるので、一つに纏めれるコンテンツがほしい	
6		Linkd Inを活用した各チャプターアカウントの作成※校友会では検討済と回答
